Re: United States v. Natalie Mayflower Sours Edwards
19-cr-00064 (GHW)

Dear Judge Woods:

As the Court knows, I was assigned as counsel to Dr. Sours Edwards to address with her the issues she raised in three *pro se ex parte* communications to the Court, which she sent on or about June 21, 2020. I have read the documents thoroughly and discussed the contents with Dr. Sours Edwards. She has authorized me to seek permission from the Court to withdraw the submissions. To the extent the Court has read the documents, I ask that their contents not be considered further by the Court. I believe this obviates the need to address any redaction issues raised by the material. I have consulted with the Assistant United States Attorneys who are representing the government in this case as well as with counsel for Dr. Sours Edwards, Jacob Kaplan, and the government has no objection to this request.

Dr. Sours Edwards also seeks a change of counsel. I have advised counsel for Dr. Sours Edwards and the government of this. I ask that the Court hold a conference to address this issue. All the parties and Dr. Sours Edwards have easy availability on Tuesday, July 21, 2020, and we will, of course, make ourselves available at any other time dictated by the Court.

Application granted. The Court will hold a hearing on July 21, 2020 at 5:00 p.m. The Court will circulate a separate order with dial-in information for the conference, which, the Court expects, will be conducted by Skype.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 57.

SO ORDERED

July 17, 2020

GREGORY H. WOODS
United States District Judge

Sincerely,

Stephanie Carvlin
